

Introducing a unique opportunity for teen actors!!

Get ready for an intensive performance workshop unlike any other - RCP's Teen Ensemble! This two-part workshop will not only strengthen acting and movement skills for 12-15 year old performers, but will make their voices heard through development of a completely original production that will tell the story of teen life today. Sixteen week commitment will culminate in a series of performances.

ENSEMBLE CLASS: Teens of all experience levels will study techniques necessary for character and scene study, improvisation, monologue work, movement, and choreography.

ENSEMBLE PRODUCTION: Using techniques from class teens will work as an ensemble to create a one hour original production of "MY VOICE". Instructors provide framework in which students explore dramatic writing, scene building, advanced improvisation, and choreography. No topic left unexplored! Performance dates TBA.

PAYMENT: Registration and 50% non-refundable deposit due to hold your Teen's spot by October 15!
