

RESTON COMMUNITY PLAYERS CALL FOR DIRECTORS 2022-23 SEASON

Thank you for your interest in directing for the Reston Community Players! We are very excited to extend our Call for Directors for our 2022-23 productions – our 56th Season! RCP produces four mainstage shows per year – two musicals and two plays. We are proud to perform at the CenterStage at Reston Community Center. CenterStage is a state-of-the-art facility that seats 260 and includes a 32'x29' proscenium-style stage with ample wing space, a 30-rail fly system and excellent sound and lighting capabilities.

Given the size and scale of our performance space, RCP tends to gravitate more toward productions with larger casts and the inclusion of enhanced technical elements. We are certainly open to smaller or more intimate shows and have done so in the past very successfully, but in considering such a show, we would like to hear the director's thoughts on creating a more intimate environment in our space.

RCP maintains an excellent relationship with our audiences and we are proud to welcome back many patrons to our shows year after year. Our season subscription sales make up approximately ¼ of our total available tickets and many of our subscribers are local residents. We are also dedicated to growing our audience and are interested in proposals of shows spanning many different genres, styles, and human experiences.

For the 2022-23 Season, RCP has compiled a selection of shows that we are interested in producing on our stage. You are welcome to select a show from this list below – or you can propose show that is similar in style or theme to one on below. We have found that oftentimes, our best and most well-received shows have been those born from the passion and clear creative vision of the director. We encourage you to propose your preferred show as well.

As we consider our 2022/2023 Season, we are focusing on remaining budget conscious. COVID closures meant that RCP was unable to generate show income from March 2020-September 2021. Please keep this in mind as you propose to direct one of the shows below or when proposing a show of your own.

Most importantly - Reston Community Players maintains a commitment to Diversity, Equity, and Inclusion. Please be prepared to let us know how your proposal will fit into our DEI mission and how you plan to remain inclusive with casting and creative team selections.

Lastly - we are here to have fun. Reston Community Players is an all volunteer organization and we work hard to produce quality theatre. We appreciate your time and consideration to direct for our company.
